INTRODUCTION AND GENERAL INDEX

H. A. MANNING CO., publishers of Directories for over 300 Communities, presents to subscribers and the general public, the latest edition of the City Directory.

The City Directory is a mirror truly reflecting the community to the world. It instills in the user confidence in the continued growth of industry and wealth of the community and pride in its civic and social advancement.

MANNING'S staff of experienced personnel and the courteous and hearty cooperation of business and professional persons and residents has firmly established our reputation as publishers of the very best in directory service. This source reference of authentic information about your community and its residents will become an indispensable part of your library.

FIVE MAJOR DEPARTMENTS

The five major departments are arranged in the following order:—

I. THE DESCRIPTIVE SECTION is the first major department printed on white paper; information about statistical review, historical sketch, manufacturing, trade and civic surveys, deluxe advertising displays, and indexes.

II. THE YELLOW PAGES constitute the second major department of the Directory. This embraces the only complete list of the names and addresses of the business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. Preceding the catalog, likewise grouped under appropriate headings, are the advertisements and business cards of firms and individuals desiring to present a more complete list of their products or services than is possible in the catalog itself. The Yellow Pages represent reference advertising at its best, and merit the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller and plays an important role in the daily activities of the commercial, industrial and professional world.

III. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the third major department printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident, and the name, official personnel, nature and address of each firm, corporation and organization in the city.

IV. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE on pink paper, is the fourth major department. In this section the streets are arranged in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of tenant-owned homes, the indication of telephone subscribers at homes and places of business, and the phone number if available.

V. THE NUMERICAL TELEPHONE LOCATER on green paper, is the fifth major department. All available listed phones for the area covered in this directory are arranged by exchanges and under each exchange, in numerical order with the name of the phone holder indicated.

COMMUNITY PUBLICITY—The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium and community service.

PUBLISHERS' NOTE — The information in this Directory is gathered by an actual canvass and is compiled in a way to insure maximum accuracy.

The publishers cannot and do not guarantee the correctness of all information furnished them nor the complete absence of errors or omissions, hence no responsibility for same can be, or is assumed.

The publishers earnestly request bringing to their attention of any inaccuracies so that it may be corrected in the next edition of the Directory.

Every Community Must Have a Directory

...not only to give the names, business and addresses of its citizens, but also to give that character of the progressiveness that would record the information of its people and institutions for present usefulness and historical purposes.

The biographical history of the masses is contained in the City Directory and no other place. That stamps its importance to the individual, business and organization. To make your history and benefit from its purpose to locate and identify you, watch your Directory registration to see that it accurately records your positions in life from year to year.

The City Directory's Importance to the General Public Is Emphasized When You Realize That Its Information in Over 60% of the Names Registered Is Unobtainable Elsewhere and in No Other Medium Can It Be Found in Full Detail.

RETAIL TRADE - The Rutland Retail Trade Community is made of more than 500 outlets. The trading area has a population of approximately 150,000 persons, all within easy driving distance of Rutland. The Rutland Shopping Plaza, with parking for 1,400 cars including the new parking garage facility, adds to the many stores, businesses, restaurants and recreation in the heart of the downtown area. The Rutland Region is noted for its fine restaurants. A new Shopping Mall, completely enclosed and climatized, the first in the state, is located on Route 4, one mile east of the city with a full range of large and small stores, restaurants, banking facilities, and a twin cinema.

INDUSTRIAL DEVELOPMENT - The Rutland Region Chamber of Commerce, and its affiliate, Rutland Industrial Development Corporation is actively engaged in the promotion of economic development of the area. Rutland believes wholeheartedly that the most effective program is one that involves sustained coordination of effort and cooperation of the numerous agencies and individuals, who are all working towards one major objective of economic and industrial development, balanced by environmental preservation. The Chamber urges a personal visit to Rutland by those planning investments, location of distribution or manufacturing plants. RUTLAND

"The Marble City"

The photo on the cover gives some idea of how attractive the Greater Rutland area (generally known as the Rutland Region) is for homes, businesses and industries to locate and expand. For healthful and attractive location it is doubtful if any section can offer more than the Rutland Region. Two major highways connect the region with other states as well as air service to major cities in the East.

The distance across the valley at Rutland is some 20 miles. Nearby in all directions lie areas for all types of summer and winter recreation. The tourist industry has become a substantial one for the region. Major industrial and retail markets are in this section of the country where a spirit of welcome always prevails.

LOCATION - Rutland, known as "The Marble City" is located midway of the State north and south. It is about 15 miles from the western boundary and has many of the characteristics of the great neighboring State of New York. Distances as follows to important eastern points: New York City 250 miles, Boston 167, Montreal 158, Philadelphia 325, Baltimore 420, Burlington 68, Montpelier 66, Bellows Falls 51, Glens Falls 50, Bennington 57, St. Johnsbury 106, Brattleboro 77, Schenectady 92, Buffalo 359, Chicago 909, Albany 98.

TOPOGRAPHY - Probably no important city in New England has so grand a setting as Rutland. The city lies among picturesque lakes and streams, the encircling mountains are near, yet far enough away to give plenty of building room, and the broad valley running north and south for many miles is one of the beauty spots of America. Noted mountain peaks of the Green Mountain and Taconic ranges can be seen from high parts of the city. The highest peak visible is Mt. Killington, over 4235 feet. City is 540 feet above sea level and contains 4300 acres. Rutland County contains an area of 594,596 acres (939 square miles), water area of 46,725 acres. Rutland Airport 780 feet above sea level.

HISTORICAL - The history of Rutland vies with any city in the land of interest. It was settled in 1761, and by 1774 there were 35 families. In common with all frontier settlements it suffered from the depredations of the Indians, and also the Colonial and Indian Wars. Probably named after Rutland Massachusetts, because the first grantee of the charter of township was a John Murray from that town. Incorporated a city in 1892.

RECREATIONAL - Rutland is happily situated for the health and pleasure of its citizens and visitors in their leisure hours, and Rutland is in the midst of an outdoor country of great appeal. It is located in a broad valley, and looking east is the incomparably beautiful Green Mountain range, with its Killington, Shrewsbury and Pico Peaks forming a most fascinating skyline. To the west are more unusually beautiful mountains, Birdseye Mountain and the northern end of the Taconic Range.

It is probable that no place exists in northeastern United States with more natural advantages for outdoor sports and recreation. In summer the atmosphere is buoyant and healthful and lends to physical activities, whether on the golf course, tennis courts, lakes, swimming pools or parks. There are 5 state forests, 4 state parks and more than 54,000 acres of National Forest land. Mountain climbing is within a few miles of the city, with Mt. Killington a notable mountain climbing adventure. For lesser climbs there are Shrewsbury, over 3,700 ft. and Pico nearly 4,000 ft. The proximity of the "Long Trail" (the length of

Vermont) passes within 10 miles of Rutland doubling along the ridge of the Green Mountains and skirting the peaks of Killington and Pico. This is one of the most famous trails in eastern North America and Rutland is one of the supply points. The Appalachian Trail (Maine to Georgia) also provides good hiking and backpacking.

The Region has numerous lakes providing sailing, waterskiing, swimming, picnicking, camping, fishing, canoeing as well as skating and ice fishing in the winter months. Lake Bomoseen at a distance of 12 miles is some 10 miles long. Lake Dunmore and Lake St. Catherine are other major lakes in the Region. Autumn brings spectacular foliage displays and hunting for deer and other game. Horseback riding, bicycling and snowmobiling are other popular sports in the area.

Five of Vermont's finest ski areas surround Rutland. Pico Peak has long been a favorite of ski enthusiasts; the Killington Basin Ski Area includes the longest gondola ride (3½ miles) in the nation, the steepest skiing in New England, and also has the distinction of having the longest skiing season in the east and one of the longest in the country, open last season from Oct. 10 - May 23. Okemo and Round Top as well as six cross-country centers draw thousands of skiers from all parts of the East, satisfying every ski enthusiast from novice to expert.

Rutland Recreation & Parks Department provides the city with six playgrounds and parks containing basketball, paddleball and tennis courts, baseball and softball fields, swimming and wading pools, and ice skating rink, and nature trails. There is an active senior citizens center as well as a city recreation center with many interesting programs and classes for children and adults. A rollerskating rink, bowling alleys, 5 movie theatres and twin drive-in movie also provide recreation in and around the city.

EATING AND LODGING FACILITIES - There are many lodging facilities in the Rutland Region with accommodations for over 7,000 people. These facilities include hotels, motels, inns, mountain lodges and guest homes. Rutland is renowned for its many fine restaurants. Meeting and banquet facilities are also available.

Recreational Rutland

JOHN W. CIOFFREDI, Supt.—Office at
Edward W. Lawrence Recreation Center, 86 Center St.

In promoting a greater and better city it has been the aim of the planners of future Rutland to give full emphasis to the pleasure and health aims for our citizens. Foremost on this plan is the Municipal Recreation Department which offers a year-round recreation program for all ages interests and abilities. Other natural recreation facilities include hiking, mountain climbing, trail tramping, snowshoeing, skiing, camping, picnicking, and just pure relaxation in the buoyant, healthful atmosphere of Rutland County.

The Municipal Recreation Department of Rutland has a large recreation center, five playgrounds, 2 mini parks, 8 tennis courts, one swimming pool, 2 softball fields (1 illuminated for night games), 1 midget league field, 2 outdoor basketball courts, three ice skating rinks, and a day camp program. The program of the Recreation Department is a year-round schedule of physical, artistic, aesthetic and educational activities of all age groups, temperaments and interests, including well known summer band concerts and Rock concerts. The Recreation and Parks Department also sponsors a Senior Citizens Center for all the city's senior citizens.

Rutland County also offers excellent bass, trout and pike fishing in its many lakes and mountain streams. A record number of deer were taken during open season in the county woods. Foxes, rabbits, and bears are also plentiful.

Rutland offers great potential for winter sports with tow of Vermont's finest ski areas within 15 miles of the downtown section.

EDWARD W. LAWRENCE RECREATION CENTER

Competitive sports of our High Schools with those of other cities and towns in Vermont and neighboring states have long been outstanding. Baseball, Football, Basketball, Tennis are part of the regular school schedule of athletics.

Rutland has received recognition from its excellent junior ski program. Junior skiers from Rutland walked off with national honors and continually place among the top competitors in the eastern United States.

It is coming increasingly into the picture of Recreational Rutland that this is a very healthful climate and sports are a part of that climate.

TO FIND A NAME YOU MUST KNOW HOW TO SPELL IT

There are many ways of spelling some names with practically the same pronunciation

When the name of a corporation, factory or firm appears immediately after the name, it indicates the place of business. After the name of a street, the word "Street" is omitted.

The post office address is given only when the same does not correspond with the name of the town.

Information received too late to be included will be found on the last page of the alphabetical section.

When "res inq (residence inquire)" appears in a personal listing, it indicates - - for home address inquire at business address as listed, due to personal request or incomplete information.

Ⓜ Indicates Homeowner.

MANNING'S 1981 RUTLAND NUMERICAL STREET DIRECTORY

HOUSEHOLDER, TELEPHONE & PROPERTY OWNER LIST

Copyright 1981, by H. A. Manning Co.

CONTAINING A FULL LIST OF STREETS AND ROADS WITH DESCRIPTION OF LOCATION, INTERSECTING STREETS AND THE DWELLING AND BUSINESS LOCATED THEREON.

Residences and places of business are designated by their street numbers numerically arranged. Where the houses are not numbered, the householders are arranged in the order that they appear on the street. (mh) before the name indicates mobile home. Figures or letters in parentheses preceding names indicate number of room or floor in building. (L) or (R) in parentheses preceding names indicate houses on left or right side of the street.

The phone numbers listed after the occupant's name are those given to our enumerators as applying to the address. We advise users to verify the phone number by referring to regular and recent edition of the phone book as issued by the telephone company.

The publishers cannot assume any responsibility if unlisted phone numbers are given us at the phone address and listed herein. The symbol ® indicates that information has been secured that the house is owned by some member of the family. The publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Numbers in parentheses following street description are for Publishers use only.

"No Report" indicates that enumerator was unable to get complete information at the address by personal call, telephone or mail. After the name of the street the word "street" is omitted.

Where the houses are not numbered, the householders are arranged in the order that they appear on the street. (mh) before the name indicates mobile home. Figures or letters in parentheses preceding names indicate number of room or floor in building. (L) or (R) in parentheses preceding names indicate houses on left or right side of the street.

The phone numbers listed after the occupant's name are those given to our enumerators as applying to the address. We advise users to verify the phone number by referring to regular and recent edition of the phone book as issued by the telephone company.

The publishers cannot assume any responsibility if unlisted phone numbers are given us at the phone address and listed herein. The symbol (H) indicates that information has been secured that the house is owned by some member of the family. The publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Numbers in parentheses following street description are for Publishers use only.

"No Report" indicates that enumerator was unable to get complete information at the address by personal call, telephone or mail. After the name of the street the word "street" is omitted.

LIST**

Copyright 1981, by H. A. Manning Co.

 CONTAINING A FULL LIST OF STREETS AND ROADS WITH DESCRIPTION
OF LOCATION, INTERSECTING STREETS AND THE DWELLING AND
BUSINESS LOCATED THEREON.

Residences and places of business are designated by their street numbers numerically arranged. Where the houses are not numbered, the householders are arranged in the order that they appear on the street. (mh) before the name indicates mobile home. Figures or letters in parentheses preceding names indicate number of room or floor in building. (L) or (R) in parentheses preceding names indicate houses on left or right side of the street.

The phone numbers listed after the occupant's name are those given to our enumerators as applying to the address. We advise users to verify the phone number by referring to regular and recent edition of the phone book as issued by the telephone company.

The publishers cannot assume any responsibility if unlisted phone numbers are given us at the phone address and listed herein. The symbol ® indicates that information has been secured that the house is owned by some member of the family. The publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Numbers in parentheses following street description are for Publishers use only.

"No Report" indicates that enumerator was unable to get complete information at the address by personal call, telephone or mail. After the name of the street the word "street" is omitted.
